

*Dear Property Network, Ltd.*

*This letter is to show our appreciation for service beyond the call of duty in real estate.*

*Our agent, John Sevick did an outstanding job for us. I must say I was not the easiest client to work with, being new to Kona and a recent empty nester.*

*John delivered compassion, patience and humor, and in the end, found us a perfect house.*

*We would recommend John to anyone looking for "The Professionals with Aloha"*

*Sincerely,*

*A Satisfied Customer*
