Dear Property Network, Ltd.

I would like to take this opportunity to extend my thoughts with regard to your agent John Sevick. I closed a transaction with John today, and wanted to express my contentment with his performance. Every aspect of of this transaction was handled well. He paid attention to detail, and handled the transaction with a sense of urgency. These qualities help to get things done in a timely manner. I very much respect a person that handles a \$21,000.00 transaction, as caringly as if it were a \$1,000,000.00 transaction.

I have referred one of my clients to John; which he has already made contact with. I am confident they are in good hands.

I am sure he will be a valuable asset to Property Network, Ltd.

With Regards,
